# Secrets of implementing Growth Mindsets exposed

Following the huge success of the last Osiris Mindsets convention, we again bring together the most celebrated and influential minds in educational philosophy and Mindset a psychology from across the globe.

Dispel the myths and find out how to make a real difference.

This exclusive event has a timetable full to bursting:

- ✓ Discover the best ways to implement Growth Mindsets with inspiring 'featured speakers'
- ✓ Learn how to eliminate awkward myths and embed a Growth Mindsets culture
- ✓ Learn Growth Mindsets strategies to lead a learning school
- ✓ Is there a new methodology for teaching intelligence?
- ✓ Engage in highly practical workshops to explore how the Osiris Growth Mindsets Programme can work for your school
- ✓ Understand 'Inner Education' in relation to Growth Mindsets, and how it impacts the subject of study
- ✓ Have your questions answered by the experts
- ✓ Local schools share their Growth Mindsets experiences
- ✓ Take away the tools you need to make instant advances in your school

"Amazing, credible and inspirational. THANK YOU. Best event I've ever been on. I feel incredibly lucky and intend to make outcomes and lives better back at school as a result."

Headteacher, St Joseph's RC Primary School

## Professor Carol Dweck

Carol is a world-leading expert and researcher in the field of motivation. She has dedicated years to researching how and why people succeed.

## Professor Barry Hymer

Barry is an expert practitioner and has been working with teachers and other educators to apply Mindsets theory in all phases of education for 16 years.

## Professor Guy Claxton

Guy is Visiting Professor of Learning Science and Director of Development of the research initiative on CLIO at Bristol University's Graduate School of Education. He is an internationally renowned writer, consultant and academic specialising in creativity, education and the mind.

## Will Ord

Will has been an international teacher trainer for over 12 years. He is a specialist in the Philosophy for Children (P4C) approach to teaching.

## C J Simister

Jane advises school leadership groups, teachers and parents in the UK and internationally on how to develop intellectual character, effective learning and independent thinking.

## Charlie Warshawski

Charlie is part of the Osiris Mindsets Programme. He is an education leadership coach and coaching skills trainer specialising in supporting leadership teams to work cohesively, increase their effectiveness, and move forward.

## Steve Ingle

Steve has over 12 years' experience in post-compulsory education. He is an associate lecturer at the University of Cumbria. He is an author and teacher-educator with wide experience of quality improvement and development.

## Ollie Tunmer

Ollie Tunmer is the Artistic Director of Beat Goes On and a former cast member of the hit show STOMP. His fun and high-energy percussion workshops are suitable for all, regardless of prior experience.
